

Modular Media Wall – Hybrid Island Booth

- Create a unique brand activation in a linear area by placing two 10X20 spaces back-to-back
- Central closet structure with LED tiles on three sides
- LED walls can be driven as one large display or as three independent displays
- Native 16:9 aspect ratio on larger side walls – no content reformatting required
- All electronics stored at top of closet - client has full access to closet space
- Optional LED counters and Kiosk units available
